Welcome to the MAS90 Crystal Reports Training Class. This specialized one day course is designed as a basic guide to integrating MAS90 and Crystal Reports. Students are required to have a basic working knowledge of Windows 98 or higher and a good general understanding of MAS90, or have completed the Introduction and Intermediate Course in MAS90. This course will cover the standard menus, grouping and sorting data. How to modify standard reports and formatting reports. This course also reviews selecting data, linking tables and using parameter fields.

This class is taught by an experienced certified technician. There will be a maximum of 4 students per class and is hands on 1 person per PC. All classes are CPE accredited. Student will receive a certificate of completion. Cancellation policy: Course cancellation must be received in writing 5 days prior to course date to be eligible for refund and are subject to \$50 administrative fee. The class may be rescheduled with no administrative fee. Save \$50 on each additional class. When you sign up for class ask for your internet 10% discount on support contracts.

Fee: 1 day session \$499.00
