Welcome to the Peachtree software distribution training class. This specialized course focuses on using the distribution features of Peachtree. Students are required to have a basic working knowledge of Windows 98 or higher and a basic understanding of Peachtree, or have completed the Introduction and intermediate Peachtree Complete Accounting Courses. This course covers how to setup Peachtree to utilize the new features listed above. This class is taught by an experienced certified trainer. There will be a maximum of 4 students per class and is hands-on 1 person per PC. All classes are CPE accredited. Students will receive a certificate of completion. Cancellation policy: Course cancellation must be received in writing 5 days prior to course date to be eligible for refund and are subject to a $50 administrative fee. The class may be rescheduled with no administrative fee.

Fee: 1/2 day morning session $249.00 View dates or sign up www.jcscomputer.com
