Welcome to the Peachtree Software Introduction training class. This course is designed to provide new users of Peachtree Quantum and Peachtree versions a thoroughly interactive overview of the features and functionality of the software. Basic bookkeeping skills will be reviewed in class. During class participants will use New Company Set-Up to create a new company. All company default information will be reviewed. Data file entry and modification including chart of accounts, customers, vendors, inventory and employees will be reviewed. No product knowledge required. The Hands-on beginners guide is included with the class.
