Timeslips by Sage Fixed Asset Basics
On-line Training Class

This class is 3 interactive sessions taught online. This course is ideal for the beginner who wants to learn the basic features of Timeslips. The course will guide you through the process of entering in your timekeepers, clients and tasks, as well as-tracking your time and expenses, entering transactions, and generating reports and bills. Upon completion of this training you will be ready to use Timeslips for your own billing. Taught by the former trainer for the certified Timeslips consultants.

Students are required to have a basic working knowledge of Windows 98 or higher and high speed internet access is preferred. This class is taught by the former trainer of the Timeslips Certified consultants program. Students will receive a certificate of completion. Cancellation policy: Course cancellation must be received in writing 5 days prior to course date to be eligible for refund and are subject to a $50 administrative fee. This class may be rescheduled with no administrative fee.

Fee: $99 per hour
